Brass Bell/Best Start was thrilled to bring Pierre Harrison, Play Advocate and founder of "PlayLearnThink" to our area with sessions offered for families in Nipigon, Terrace Bay and Manitowadge with neighboring communities invited to attend.

Creations filled the gym

Children were beaming with being given the opportunity to show they are competent and capable

We need to let children learn through struggle and experience, meaning they may be frustrated, they may get hurt, they may be happy or unhappy, they need to figure things out for themselves and with their peers

Children were sawing and cutting with intense concentration
